EDUCATION

2003 – 2006	Bachelor of Science in Physics, Mahidol University
2006	Utrecht Summer School in Theoretical Physics, Utrecht Universiteit
2009 – present	Master of Science in Cosmology, University of Sussex

ACADEMIC ACTIVITIES

April 2002	attended the First Tah Poe School on Cosmology at Naresuan University
March 2004	attended Young Thai Science Ambassador Camp with Outstanding Experiment Demonstration Award at the National Science Museum
October 2004	attended the Third Tah Poe International School on Cosmology at Khon Kaen University
April – May 2006	interned at Fundamental Physics and Cosmology research unit , the Tah Poe Academia Institute for Theoretical Physics and Cosmology
2006	assisted in Group Theory class
2006	a senior project on Construction of n-soliton Solution of Einstein's Equation by means of Inverse Scattering Technique (a review) advisor: Asst. Prof. Dr. Michael A. Allen

HONOURS & AWARDS

2002	TPTP Certificate in Cosmology, the First Tah Poe School on Cosmology by the Tah Poe Group of Theoretical Physics (TPTP)
2003 – 2007	DPST Scholarship under the Development and Promotion of Science and Technology Talents Project by the Institute for the Promotion of Science and Technology
2007	Honourable Mention, Outstanding Poster Presentation Award at the Annual Science Exhibition 2006, Faculty of Science, Mahidol University
2008	The Academia's Lists of Honour Letter of Reference Award by the Tah Poe Academia Institute for Theoretical Physics and Cosmology (TPTP)
2009 – 2013	Royal Thai Government Scholarship
2010	Tapaian Associateship by the Tah Poe Academia Institute for Theoretical Physics and Cosmology (TPTP)
